

Here are the materials that you'll need to create your very own Kelso Klub name badge:

- Printer
- Card Stock or durable paper
- String (yarn or twine works best)
- Scissors
- Hole Punch
- (if desired) Laminate Machine

Step 1: Print out your Kelso Klub badge

Step 2: Write your name on your official Kelso Klub badge

Step 3: Cut out badge using scissors

Step 4: (If you choose not to laminate, you may skip this step) We suggest laminating your badge for durability. Then cut it out—if you choose to go to an office supply store they can print and laminate for you.

Step 5: Use a hole punch and punch two holes in the upper left and right corners of your badge.

Step 6: Measure out 18 inches of string. Then cut using scissors before weaving it through the holes in your badge. Once you have done this you can tie a tight knot in the string.

Now you are ready to wear your official Kelso Klub badge proudly, keeping an eye open for those in need of a friend! Be sure and keep your Kelso Klub oath.

OATH

**As a member of the Kelso Klub,
I promise to take a STAND
against bullying.**

**I will treat others with RESPECT
and KINDNESS.**

**I will have the COMPASSION not to
be a bully and the COURAGE to help
and not just stand by and watch.**

**I will LEAD by example and I will
PRACTICE what I say for it is my
RESPONSIBILITY to be a good friend
and HELP others.**

Oi, Oi, Oi!!!
